I am a piece of God, of Goddess, of everything that is. I am divine by my very nature and I am unconditionally loved. I have been gifted with the ability to create my own reality.

My other selves had this to say about this success:

My child self said:

My adolescent self said:

My young adult self said:

Objectionable thoughts

These thoughts of fear and hesitation come up when I work on this:

Possible beliefs

1.

2.

3.

4.

5.

Asking for assistance

I ask my unseen friends to assist me in changing any limiting beliefs, thoughts and emotions with elegance, ease and harm to none.
